I was saddened to see the news of Mrs. Heller's passing. I enjoyed catching up with her in the Dunkin' drive thru where she bragged about her children and all the wonderful things they were doing. She was understanding and patient with me when we would put our heads together trying to make schools a better place not just for her children, but for all the students. Mrs. Heller was always positive and kind-hearted and will be sorely missed. I wish more people had her level of compassion and empathy. Rest in peace.

Sending peace and strength, Alicia Citro
