“ We have wonderful memories of Pam as our neighbor here at the lake. When she volunteered to be Mrs. Santa Claus for a lake party for the kids, she went all out --a whole red velvet outfit with white fur trim! In her memory we have donated to the just-started Lake Tamarack Playground Committee's GoFundMe. We hope that future generations of kids will enjoy the playground and add to their experience of growing up here.

“ Pam and I met 11/11/77 (she always reminded me of the date) at the bank where we worked. Shortly after, on what would have been my 25th wedding anniversary, Pam said, with her hands on her hips, "What are you going to do, stay home and cry?" No! Instead we went to a dance. In the parking lot we were shaking so violently, we had to say a prayer to calm us down. This was our big step into the unknown. Amazingly, we danced every dance. We were always there for each other, happy times or sad times. I will miss my good friend and will find comfort knowing she is with Jesus. My sons are missing her too, we all had dinner together before Thanksgiving. Blessings to the strong family she leaves behind.

“ *Dear Rita-Ann, Rocco, and Paul,  
May all your fond memories of your mom bring you comfort and strength in the difficult days ahead. My most vivid story of your mom is how she was waiting to see Elvis in concert but he passed away before she got to go to the concert. I'm sure Elvis is waiting for her to arrive to greet her!!!  
I am sorry that I will be out of state next weekend for her services.  
Hugs and prayers to all. Mrs. Lytle*

“ We are so very sorry for the loss of your dear mother, grandmother, great grandmother, and friend. In the last year or two Pam and myself would have a meeting place on the lawn of the apartment building where we both lived. Whoever would make it to the lawn first on a summer day, would call the other to come out and enjoy the beautiful weather and of course each other's company. We would talk about anything and everything and have my boyfriend, Fernando come and bring Pam more ice in her iced tea as the heat melted what ice was in her cup. She would love to watch him cross the parking lot and would say how good looking he was and if she was only younger. LOL. At the end of the night, I would have Fernando walk with her to be sure she got to her apartment safely. We had some nice times together and I always looked forward to her smile, her stories and loved her sense of humor. She will be sorely missed. Rest in Peace dear Pam.
