“ Hello Neighbor,

I'm sorry to hear about your loss and our sympathy goes out to you and your family.

We know that many people have their own religion but you will agree that regardless of our background we all have to deal with the loss of our love one.

Please watch this two minute video called "What is the condition of the dead?"

After watching the video, please go to the link listed below. It will take you to a brochure called "Good news from God!" This brochure will help you answer the following questions that was mentioned at the end of the video.

- *Who will return to life?*
- *What does the resurrection tells us about Jehovah God?*

*<https://jw.org/en/publications/books/good-news-from-god/>
(Please copy the link and paste it in the address bar of the internet webpage)*

While you are reading the brochure, it will be very helpful to read it along with your Bible. This will help you to understand what the scripture means to you.

If you have any questions or comments, please feel free to contact us.

Take care and have a blessed day.

Sincerely,

The Vanegas Family

So very sorry it took me so long to express my sympathy to you all. I worked with your mom for 10 years at Lazicki Realtors til I was diagnosed with cancer & more. Your mother was sweet, kind & went thru a lot before she became ill. So sad.

One memory of her is when there was a purse party at our office one night & I was ill. So your mom called me & told me she would pick out several purses I might like & would send the pictures to my phone & order for me. Such a nice thing to do. Use one still perfect goes with everything, & each time I always thought of her. Our old boss Linda is always in touch & called to tell me she saw your mom in the hospital & she was being moved. Then when she passed I've been crying since. It will hit me she is gone & the tears come. Maybe because I know the pain & suffering she had gone through. I was very ill for her service & was unable to say goodbye to my dear & loved friend. It's still breaks my heart writing this. I pray for her every night. She & I had our talks about religion. I'm sure she is at peace at last, she more than deserves to be. In my heart & never forgotten. Bless you all.
