“ Ralph was a quiet spiritual giant of a man. His heart was huge for other people. We traveled often on Missions Trips together. He loved the Lord and expressed that by constantly doing for others. Many times Ralph helped when no one else knew. I love the picture here. It was the smile I saw so many times as a tired Ralph after a hard day's work would greet the people we were helping. His many talents are missed and I was so blessed to call him a friend and brother in the Lord.
