“ I was Randy's sister-in-law and I fondly remember going to visit my sister Nancy, Randy, Jack and Sami in October of 2008.

Jack was five and Sami was eight and what I remember most was how playful and loving Randy was with them - constantly reaching out to tickle them, doing a silly "duck voice" to make them laugh, dancing and singing with them and just being plain wonderfully goofy.

He loved his girls more than anything and it showed with how much fun he had with them - and that is an especially fond memory that I will cherish.

Rest in Peace Randy.

“ My heart extends to all who knew and loved Randy. We are cousins and my memories are mostly from childhood. I do recall a time when he and a friend Rhonda road a motorcycle to my home in Colorado, I was not home when they arrived and we discovered them sleeping on the front lawn. So funny and so Randy - authentic.

“ My best memories of Randy goes back quite some time ... to the days when he and Rick and me would be locked in my room with way too much incense burning while listening to Beatles albums over and over again!!! Miss you dear nephew....may you rest in peace.💜

Randy was a great friend who would do anything for anyone, and was cared for and loved by many people at the Newton Senior Center . My dog Dudley who Randy loved to walk and play with and I will miss him terribly. Although you left us far too soon, I am glad you are at peace and pain free. My heart goes out to his daughters and family at this difficult time. Beverley Stewart , dear friend and neighbor. May God be with you all who loved and cared for him. 🙏🇺🇸
