“ My Name is Albert K. I worked with Randy at Sunrise House, and I remember Randy as a goodman, friendly, funny always coming up with jokes, yet always ready to help in any way. Randy was very instrumental in the local union, Local HPAE-5629, where he served as representative. He stood hand in hand with us to defend and protect the rights of members and was always happy and efficient in sending messages out to union members. True to his service in the military, he was always ready to stand, defend, and protect the rights of others. He was a true champion, and he will be missed. May his soul rest in peace.

Albert K. Local HPAE-5629 former president.

“ Randy was a ball of sunshine! A man who always put a smile on my face. I worked with Randy for a short period of time, but in that short period of time he managed to make a large impact on my life! I will definitely miss his smart wise comments, his morning visits to HR with his lists of questions from Cindy (lol) love those!, father like advice, and most of all the “have a good day kiddo!” May you rest easy sir! You will truly be missed! You hold a special place in my heart! ❤️ Krystalyn (your HR buddy!)
