“ *Rick and I had some wonderful times growing up in high school. He was always so happy. I regret that after we spoke a couple years ago that we never got to see each other. I wish I followed through on that because it would have been wonderful to see him. I hope his family and loved ones will live on in his memory. I'm sorry I was unable to say a proper goodbye to you but I was in South America and could not return in time. Rest in my peace, my dear old friend.*

“ *My son, Tim Francis, alerted us to the terrible news about Rick. Tim is in South America at the moment and is shocked and sad. Lance and Rick will always be very special friends to this family. We are just heart-sick. Rick's family will be in my prayers.*
