“ *Very saddened to hear about Bob passing. He was a customer of mine at one point. He was always kind, helpful and also always encouraged me to enjoy fatherhood! He always asked how the kids were and was genuinely excited for me as my family grew. He was a great pillar in the wireless industry but even more as a family man and person. My prayers and condolences are with his family*

“ *I had the pleasure of working with Bob for the last few years on several projects for T-Mobile. He was a hard worker and always answered the phone when you needed something and was always cordial and helpful no matter how many things he had going on. He was always quick to come up with a solution to solve an issue and had the mentality to just "get it done". I am so saddened to hear the news. My team and I send our sincerest condolences to his family. May he rest in peace.*

“ We love Bob , He was a kind person that would give anything if you needed it. He always called me his favorite MIL and we must say he was our favorite SIL. I had the great privilege of officiating Bob and Amanda's marriage. When Bob asked me I was very honored to accept. We hope you are at peace now. Our love to Amanda and the boys.

With love from U. Audie and A. Vikki
