“ Robert, you were a one of kind brother in law! We may not have always seen eye to eye but deep down truly loved one another.

You were a great uncle to my children, who adore you. Your love for your pets outshines anyone I know. I loved our chats about them as your caring passion brought joy to those that listened in.

So on this day I leave you with this.....

"Perhaps they are not stars in the sky but rather openings in heaven where the love of our lost ones pour through and shine down to let us know they are happy"

I look forward to looking up to see you, happy, at peace and shining down upon us until we meet again!

Love you with all my heart and soul,

Lori
