“ Bob and Rosa were members of First Baptist Church Sussex for many years and were always available to lend a helping hand. Bob always had a good story to tell and would keep us laughing. He will be missed. I was sorry to hear about his passing. We will keep Rosa and the family in prayer.

May you rest in peace in heaven until we meet again. We are very thankful to have had you as a dad. You will be missed so very much. We hope you are hunting and fishing with your brothers and giving Ma Scudder a big hug from all of us. You gave us so many wonderful memories to laugh and cry about. From salmon fishing to hair cuts (over the ears). Rock picking to construction projects. (Just put it on paper). You were an amazing Grandfather and great grandfather the kids were lucky to have such a hands on Gramps. You were always trying to help someone less fortunate. The world is a better place because of you. We will do our best to take it from here. May you now fly high with the angels!!! Carlos and Rose.
