Bob, what can I say? I know that I was grateful to meet you many years back! You were the type of man who would give someone else the shirt off you back, a meal, shelter or just the time to talk. You were a blessing to us all and we your memory will live in! Godspeed Bob!

“ *My sincere condolences to his friends and family members who really loved him unconditionally. Since the day I met Bob 16 years ago he was nothing but kind, caring, gentle and respectful toward me. May he finally be able to rest in peace. And be free of any pain, inner turmoil or struggles he may have been going through. May this time be positive as I would think Bob would want to be remembered for all of the positive things he did in his life and the people that he loved and cared for deeply. Godspeed.*
