“ My deepest condolences to her family. She was a friend of my late brother Bob from her years at the Fountain Sq Inn. Her son Glen was a friend too. May she rest at peace always.

“ Ruth and I were friends for over 30 years. We had the type of relationship where we could say things to each other that other folks wouldn't be able to say to each other! I was absolutely shocked to hear of her passing when I called her on Tuesday 💔. She is not in any kind of pain now. Rest East Ruthem. I love you. Until we meet again my dear friend ❤️

“ *I met you so many years ago when you worked at My dad's bar, the village inn in franklin. Who would have guessed all these years later I can proudly say you were a dear, caring friend. This earth will never be the same.*

You are back with Glen, where your heart and mind has wondered since he left. Your mom is there and I can almost hear yas both "bi--hing" to each other. I am positive if you look around up there my dad will be right there to greet you as well.

Fly high dear angel. You take care of the geavens while we remain here on earth until it is our time to join you

My tears I shed aren't for just loosing you but are for peace of mind knowing you are back with your loved ones. Forever my friend

“ *So sad to hear of my good friends passing. We worked together at Picatinny for many years and spoke to her almost every day since our retirements. She was a jovial, happy soul until your illnesses caught up to her. My deepest sympathy to her family. May she now RIP.*
