“ Shaun was our neighbor for 20 years. He was the sweetest little boy and LOVED his Grandpa. He played with my kids, either rollar hockey, swam like a fish in his pool, sometimes in ours, played manhunt on Summer nights, and video games! Surrounded by his Big, loving family, he had a childhood some kids can only imagine. Where ever his grandpa went, he followed. His brother Chris and him were close, raised by a loving mom and Dad and his Big extended family! You made the neighborhood and the world a better place! You will always be remembered❤️❤️❤️❤️ Lynne and Jim Ross

I miss you buddy. The only comfort I find is knowing that you are in a much better place with the Lord. Until we meet again
