“ *I will always remember you being a sweet caring young man, one of the things I remember most is at 14-15 yrs old you were never to shy to tell Mr. Tucci & I, how "in love" you thought you were Tiffany & how beautiful you thought she was & although you were being respectful, we would always have to insist on you not calling us Mr & Mrs Tucci, it took us quite awhile to get you to understand that it was ok too call us Brian & Dee. I also remember coming back from grocery shopping, to a house full of teenagers & you'd be the only one to offer to carry in my groceries, but that's who were, always willing to help, you truly were an amazing young man but now & for eternity, you will be an amazing Angel looking down on those you loved, Rest easy little guy, love always The Tucci's*
