“ Lisa and Jamie, My condolences to all the family. I am so sorry to hear of your dad's passing. He worked at Independence High school with John. Your dad was such a nice guy. He really enjoyed it when John and I would go to his house and take him tamales for Christmas. He will be truly missed

“ So sorry to hear of Steve's passing. We went from K-12 together at Hamburg elementary and Franklin High. In the early 80's we somehow found out that we lived a few hours away from one another, him in AZ and me in NM. We got together for a weekend and as I recall, we ended up at Roosevelt reservoir in AZ. floating around in a rubber raft. Unfortunately our busy lives prevented another visit and my return to NJ added to a lack of another get together. Best wishes to his family and know that I'll carry fond memories of him always John Antal
