“ Our family will miss her greatly. Her kindness and her patience, her generosity and her laughter are just a few of the things we loved about her. We are so sorry for your loss. And we pray she is watching over your family, at peace, and surrounded by the love that everyone could feel when they talked to her.

“ Dear Gall Family,

I will miss our Sunday morning visits. She was always happy to sit and chat. We often shared stories of our time working with children in school. Remember your wonderful memories with her.

With all my sympathy,

“ *I have so many great memories of time spent with my aunt especially when my son Ethan was young. I lived across the street from her and we were always together. We always talked about eventually living together at her house at the Jersey Shore. The great memories of her will stay with me always. As hard as it is to not have her here with us on earth she is with Chrissy now. Rest In Peace Aunt Susan.*

“ *Susan was loved by Zachary and Ethan. Susan has a bit of a wild side. Susan and I lived together for a short time. We used to drive to the Hot Grill late at night. She always thought of others before herself, a trait to be admired. She will be greatly missed.*
