“ I will always remember Sue as "Teacher Sue" with a bright smile and a positive and upbeat demeanor. She always wanted to make sure all her students were "calm and happy" and always put their needs first. I will never forget her contagious laughter and her love of everyone she worked with. She will always hold a dear place in my heart.

“ I met Susan over 35 years ago when we worked for DYFS and again for BB/BS. We shared many laughs and tears and although more recently we have only kept touch via mail I will miss her very much. In particular I am thinking about a DYFS Christmas party in the late 70's when Susan, her husband John and myself had a food fight at the table. We laughed about the mess we made for a long time. The world was a better place because of you. Rest in peace

“ I loved Teacher Sue, or as I called her Susie Cream Cheese. She was a great friend to me. I met Sue at Willowglen and worked with her for 10 years. During those years we developed a lasting friendship not only at work, but also outside of work. When Sue and I were together we would laugh and talk and laugh some more. I have many wonderful memories of times we have spent together and conversations we shared on the phone. I will miss her very much, and I am saddened because the world lost a great lady. I am lucky because of the closeness we shared. I will miss the laughter Susie, but I am grateful that I the opportunity of being your friend. Goodbye, Teacher Sue. I know we will meet again one day. Meredith, please know that I am just a phone call away if you need to just chat.
