“ When I first came into AA and was feeling very scared Tom would ALWAYS smile & say Hello, that small gesture made me instantly feel better & know that I was not alone. Over the years I had the pleasure of attending many many Meetings with Tom and he was always a source of comfort & inspiration. I will never forget Tom & I know he is still with all of us! My deepest condolences. Amy S.

“ We are so terribly sorry to hear about Tom's passing. We live next door to Tom and he was just such a lovely neighbor. He was the first to welcome us to the neighborhood and he was always very friendly and had the best stories! Whenever he would see us he would come over to say hello with his beloved cat Rajah by his side. We will miss him very much and offer our sincerest condolences to his family.

“ My heartfelt condolences to everyone. I have many fond memories of Tommy at family holiday dinners and cookouts with his Dad, Jack and my sister, Margaret at their home in Riverale NJ along with Kim and Jule and Gary and his family. Tommy was always so pleasant and optimistic and never had a cross word to say about anyone of anything. He always had a great story to relate about his experiences at work and hunting in the woods of PA. Again, condolences to everyone.
