“ *This loving note is directed to Peg, our dear friend and fellow realtor: Peg, I grieve with you on the loss of Vicky, and upon reading her presentation, I see that she was a member of the Christian Church. In making that step, I am assured of seeing her again one day as we will go home to be with the Lord. I rejoice that she is in His presence, and my love goes out to you and your family. Cherish the memories, and look forward to the time when we can all share in the joys of Eternal Heaven. God Bless You,*

*You girls are in our thoughts during this time.*
