Obit for Walter A. Mackesy

Tribute Wall

“ I was saddened to read of the passing of Mr. Mackesy. His signature "wave" as we passed by his home on Walkkill Drive will be greatly missed. I had the honor over the last year of saying "hello" to him briefly whenever I was called to stop by Valley View...a place where he was in great hands until the end.

“ Dear Curry family,
Walter will always hold fond memories in our hearts. For so many years we enjoyed them when he and Winnie sat on the beach. The past years that he lived across the street from us were also special. We always had a chat with him when he was sitting on the deck. What a blessing for him that he is now in God's hands.
