“ *To Bill's family,*

We were long time clients of Bill's. He had done our taxes for almost 30 years. He was confidant, advisor and we felt, a true friend. I loved coming to Jersey to see him once a year to do the taxes long after we moved, and then when we moved to Cape Cod, we did it all by mail. He was the best and our worse scenario was wondering who to trust after he retired. Today we were informed of the worst scenario when we received the letter telling us that Bill had passed. We are very sad and we feel a great loss. You all have our deepest sympathy. He was a dear man and we know he will be very missed by you. We too shall miss him.

Most sincerely with deepest sympathy,

Mike and Teri Sweatman

“ *My husband, Steve, and I were shocked to hear about Bill's passing. He has been our accountant for 30 years and also has assisted my father with his finances, as well. Bill would always have a hug for me when I came to his office and was just the nicest, most professional man who loved bragging about his wonderful family. He will be truly missed.*

“ Dear Joe, Deb, Stephen & Kelli,

It was 38 years ago when I met Bill at my first job at Harwood Lloyd Esqs. in Hackensack, NJ. We bonded immediately and would be friends for life.

We shared everything- births, deaths, new loves & new families.

Bill was my friend, confidant, counselor & advisor. Within a year of our meeting, he was my accountant, my mother's accountant, and my in-laws accountant in Three Rivers ,Ma.

Bill was and is my friend and will be forever.

My kids always called him Uncle Bill. I spoke to Kelly & Chris today and they want me to say, "We love you Uncle Bill, Rest in peace.

My special wish to you Bill is that I'll see you in Heaven and we'll share a VO & Wild Turkey.

Bill loved all of you with all of his heart. Every conversation was " Deb, Joe, Stephen & Kelli" You were lucky to have him as a husband and a father. I was lucky to have him as a friend.
