“ I remember 25-26 years ago when i was 4 or 5 calling him Fuddy, Going for a ride in the big blue dump truck. I still have a giant blown up photo of me in the drivers seat looking out the rolled down window with Bill there smiling. I'll try to get a picture of the picture and post it here under the photos & Videos tab, Also I can send it if anyone in the family wants another photo of him. He was a very kind man to a young, most likely annoying kid lol. Rest in Peace Fuddy, Know that you brought a little magic into a kids life that thought big machines were the coolest thing ever. - Devin Ruschak (O ya if you want a copy of the photo just leave your email addy as a comment to this.)
