“ Billy, you were a force. I hope you'll be looking down on us. I'm glad for all the good times we shared...from the notch, cooooookies, to new Year's Eve festivities, to the legion. You were like a brother to me.... We seemed to always show up unplanned when we needed each other most. My heart is heavy knowing we won't just show up in each other's lives again. I love you and pray you are resting in peace. Thanks for being you.
